

**TABLE A-2: Census of use permits under Existing Law and Proposed Law (9/2024 version)  
Hamlet District and Business District compared with Hamlet Commercial District and General Commercial District.**

This comparison shows all of the permitted uses under existing law in the Hamlet District and the Business District and the changes that would take effect under the proposed law.

Regulatory cost: Existing law regulates 94 categories of uses. Proposed law deletes 3 categories and adds regulation of 34 new categories of uses for a proposed total of 125 regulated uses.
